

Super Ball 2023 **AFTERPARTY**

"The Afterparty is one of the main reasons I organise events"

Lucaso, 22.8.2013

What would **Super Ball** be without an epic **afterparty**? It would be like a year without Super Ball at all. So once again, rest assured that whatever the outcome of Friday's Grand Finals, win or lose, plans are in place that will enable all freestylers to get together and create even more unforgettable memories again long into the night in the Czech capital.

This time, and retaking the best tradition from past seasons, the venue will be the epic **Retro Music Hall**, located quite close to the city centre in the Prague 2 district. You can check out their website here: <https://www.retropraha.cz/en/>

The afterparty will officially start at **22:00h CET** on **Friday, August 11th**. There will be a good supply of free drinks for all those who arrive together in the big group at the start: the plan will be to leave the Comfort Hotel Prague city East together at 21:00h, so be ready if you want to come at that time. From the hotel, the group will walk towards the **Strašnická** metro station and take 4 stops to **Náměstí Míru**: the Retro Music club is right there. The trip will take around **15 minutes** in total.

The **VIP area** of the afterparty venue will be dedicated to the Super Ball contingent and the seating will be available for all. After midnight, however, this will open up to the public so it's best to take advantage of this while we can.

Entry into the Retro Music Club is strictly for those aged **18 years and over**. The **wristbands** to enter the afterparty are included in the freestylers' welcome package: don't forget them!

Please note that everyone will be responsible for **making their own way back to the hotel** and the airport the next day.
