# ARRIVING AT THE COMFORT HOTEL

All freestylers are welcome to stay at the **Comfort Hotel Prague city East**, located at **Becvarova street 14, 100 00 Praha 10-Strašnice**. As the **Strašnická metro station** is nearby and it is a direct line from the first stop after the airport, it is very easy to travel there.

This document should help you to find the best transportation system to get to the venue. Feel free to get a taxi, a Liftago or an Uber, which work perfectly in Prague; but in case you want to save some money (or have a little adventure in the city), it is very easy to use public transportation too.

***Interesting fact:** Thanks to the Czech Republic being at the centre of big kingdoms and empires of Europe in the past, Prague has one of the best public transportation infrastructures among capital cities in the world. It operates 3 metro lines, 138 bus lines, and 24 day-time and 8 night-time trams which can take you literally everywhere.*

## HOW DO I GET TO THE HOTEL?

The first thing you should do after arriving in Prague is to buy a travel ticket for the city. You can get it in a tobacco store or at any of the orange boxes you will find at a metro or bus station. The basic travel ticket costs 32 Kč (Korunas, the Czech currency), which is 1,20 euros. To buy a ticket, just insert coins into the machine, press the first button on the left and wait for your ticket. Remember to mark before entering the transport, and you will be free to travel for more than 90 minutes. **Most of the ticket machines work with credit cards as well.**

- **Metro and day trams are operational between 4:45 am and midnight.**
- **Night trams are operational between midnight and 4:45 am.**
